Are there any medical or physical conditions of which we should be aware? (Circle one.) Yes No
If yes, please describe:

If yes, is there a first-aid procedure of which we should be aware for this condition?

If we cannot reach you at the numbers listed above, whom should we contact in case of emergency?

At the **Omaha Academy of Ballet**, we are committed to teaching your child correct body alignment and safe movement patterns. Please be aware that to achieve this it is often necessary to touch your child to help him/her find the correct positions and to use the body safely. Please consider this when enrolling your child. We cannot accept a student who has a problem with this.

We appreciate your every effort to make sure the student arrives on time and in proper dance attire. For your child's safety, please be aware that we do not furnish childcare before or after class. Young children should be accompanied to the studio and not left unattended before class. Due to our limited staffing, if you are unable to pick up your child within 10 minutes following class, expect to pay a child care fee of \$1 per minute that our faculty must remain to watch over your young one.

Students who are late for class and who miss critical portions of the warm-up may be asked to observe the remainder of the class, rather than to risk injury.

The **Omaha Academy of Ballet** takes every precaution, but assumes no responsibility for personal injury or property loss.

I have read and understand the content of this information sheet.

Signature of parent or guardian: _____ Today's date: _____

Signature of student, if 18 or older: _____ Today's date: _____
