

Dear Parents,

Here is some vital exam information to help you prepare for your child's exam.

Exams will be held at Omaha Academy of Ballet April 6, from 9 A.M. – 5:00 P.M. Individual times will be posted as soon as we know them.

All exam candidates need to place narrow ribbons on their ballet shoes. Ribbons may be purchased at The Dance Shoppe (8712 Countryside Plaza). Before classes the week of March 15, Lynne, Ruth, and Sheila will show the parents of their students how to sew the ribbons onto the ballet slippers. Ribbons should be on the ballet slippers by the week of March 22 so that the girls have a chance to get used to them before the exam.

Please come to OAB an hour before your scheduled exam time. This time is needed to warm-up each dancer and to check that she is ready for her exam.

Please wear your exam regulation attire to OAB. Each teacher has selected what her class is to wear.

Please take off all jewelry and remove any nail polish your child may be wearing before she comes to OAB for the exam. The girls should not wear any makeup. Hair must be neat! If it can be, it must be in a bun.

If you have any other questions, please ask your child's teacher.

Thank you.
